PRINZ WALL SAWING TECHNOLOGY:

PRINZ BRICKCUT ESL

Our novelty! New to our range is this powerful 230 Volt machine, which stands out with good handling, excellent power to weight and solid construction.

Electronic soft starter and overcurrent limiter improve performance characteristics.

Technical Data:

Power supply:	230 V, 16A Plug
Power:	3000 W
RPM:	1550 U/min
Guide bars lengths:	40 cm, 50 cm, 60 cm
Saw chains:	HMS 0.404"/1,6 mm
Weight:	9,6 kg
